

Coming Soon: MSME Handbook

- We have detailed over 1000 concepts and ideas for starting new MSME units in India.
- Implementing 17 MSME clusters in Karnataka serving a broad variety of verticals.
- SFURTI Cluster Development across the country.

Goal for 2021

- Establishing 30 More MSME Clusters in Karnataka and 100 more SFURTI clusters of SHGs.
- Emerging Opportunities in MSME:
 1. The Strategic Partnership with GoK, UNDP, and Dharmasthala Trust (SKDRDP) covering over 1 lakh SHGs
 2. 400 Multi Skill Innovation & Incubation Launch Pads in all 31 districts of Karnataka in Govt. 1st Grade campus and 20 technical education institutes.
 3. CGTMSE scheme validation and feasibility support
 4. AGRI BUSINESS CORRIDOR from Chamrajnagar to Kolhapur

MAPPING OF CLUSTER TO SET UP COMMON FACILITY CENTERS

- Mapping of Units and Clusters across different areas along with product segments.
- Assessing employment opportunities in this sector across different product segments.
- Measure overall health of clusters/Units in terms of output, employees, skills, technology etc.
- Assessing Contribution of sector in India in terms of Income, Output, Employment, Value Addition etc.
- Assessment of Skill Gaps, Technology Gaps, logistics & infrastructure gaps. Capacity building for cluster unit as well as measuring Parameter and Variables for MSME'S.
