

SDG SUMMIT 2025

Awareness | Alignment | Action

Oct 10, 2025, Friday

SIR M V AUDITORIUM, Federation of Karnataka Chambers of Commerce & Industry,
Kempegowda Rd, Bengaluru - 560009

RESEARCH PAPER COMPETITION

Theme: Harnessing the Power of Institutional Partnerships among Industry, Academia & NGOs

The world is at a critical moment, with progress towards the UN Sustainable Development Goals (SDGs) off track—nearly half of the targets are insufficient, and 18% have regressed since 2015. Urgent global challenges like extreme poverty, inequality, and the climate crisis threaten the achievement of the SDGs by 2030. This Research Paper Competition is designed to encourage students, scholars, and faculty to engage in meaningful research and contribute their insights toward achieving the SDGs. This is your valuable platform to showcase thought leadership and research excellence in the area of sustainability.

Cash Prize of
₹ 10,000 for
